

5-ARM LEAD APRON WALL RACK MODEL RAR-SA5

RAR-SA5R
(5 Aprons, Arms Swing Right)

RAR-SA5L
(5 Aprons, Arms Swing Left)

DESCRIPTION

The Phillips 5-Arm Lead Apron Wall Rack offers excellent storage capacity. This heavy duty metal rack holds up to five aprons on five arms to a maximum suggested weight of 110 lbs. It features five chromium-plated pivoting hangers which can flatten out nearly 180 degrees for space saving and storage behind doors, equipment, and more. It is available with arms swinging out either left or right.

FEATURES

- *Holds Up to 5 Aprons*
